

418 Style Leather Reclining Sectional

- Leather shown:** 9211
- Standard back style:** Bustle back with adjustable headrest (not available in other back styles)
- Cover options:** The 418 style is also available in fabric.
- Standard mechanism:** Motorized lay flat mechanism with motorized adjustable headrest (not available with manual mechanism).
- Design note:** Due to the complex pad-over design of the 418, collaging is not permitted for this style.

"Comfort Wrinkles" are designed to appear in this style to enhance the exceptionally soft feel of the seat and back cushions.
